Your Stay with us

La Maison, Le Gite and our Luxury Glamping site will be yours exclusively for the duration of your stay with us.

La Maison can sleep up to eight guests. You will find a large open plan downstairs with plenty of character and charm. The three bedrooms are spacious with all modern amenities. La Maison commands our main orchard with the River Bresle running through it and has breathtaking views across the lakes behind and up into the hills of the valley. You will find our luxury dome in the garden of La Maison along with our pergola and sun lounging area just a stone's throw away from the river.

Le Gite has four double bedrooms and can sleep up to eight guests. The interior is charming with its exposed beams. The views across the valley are beautiful from the gite garden. With the open plan kitchen and living room it really does allow for everyone to engage and relax together. Our favourite room is the snug upstairs that has a mezzanine that looks over the living and dining areas. Both La Maison and Le Gite have their own individual spa facilities. Each property has its own private Jacuzzi, Aspen outdoor sauna and Wim Hof inspired plunge pool.
